

Site Visit for Mathari Trust Students Retreat

Location: Muldersdrift

The **EDS** team visited the surprise location for the Mathari Trust Students Retreat which will be held in April.

We found a tranquil, spacious and homely venue that suits our agenda perfectly.

The event aims to provide Psycho-Social Support to the girls which many have never had access to before, this will include: HIV/Aids Workshop, Life Skills Workshops regarding Adjustment to University, How to Bounce Back, Preventing Drop Out, Burnout and how to avoid Student Risky Behaviour.
